

CORRECTIONS

In the Original Article entitled “STAT3 rs3816769 polymorphism correlates with gene expression level and may predispose to nonsmall cell lung cancer: a preliminary study”, published in the December 2013 issue (Domańska D, Antczak A, Pastuszek-Lewandoska D, et al. *Pol Arch Med Wewn.* 2013; 123: 672-679.), information on financing was missing. The following note was added in the Acknowledgments section on page 677: “The study was funded by a grant from the Ministry of Science and Higher Education (grant no. 502/03-1-151/04/502-14-069).” The article is correct at www.pamw.pl.
